WOOCOMMERCE HOSTING

Fast, Secure WooCommerce Hosting Solution

Grow your WooCommerce store with WP Engine's eCommerce hosting platform. Increase website speed up to 40% and sales up to 18%.

VIEW PRICING
VIEW FEATURES

Increase your store's website speed by up to 40% and average sales by up to 18%.

Our WooCommerce hosting platform is optimized to increase site speed and drive conversions. Site migration is free and backed by a **60 day money back guarantee**.

The Fastest WordPress Host for WooCommerce Stores

Our WordPress eCommerce hosting platform is designed specifically for WooCommerce stores and optimized for website speed. Improve your dynamic web requests by "offloading" search requests to reduce server load, and use our compute-optimized infrastructure to dramatically speed up high-traffic sites.

Improve Sales With Instant Store Search

Sell More Products (Powerful Search Engine)

Provide instant search results that showcase the most valuable and relevant products. Impress shoppers and increase conversion rates with features like autocomplete and “did you mean?” Best of all it works out-of-the-box, is enabled in one click, and is powered by ElasticPress—the leaders in WordPress search.

18%

lift in conversion rates. 43% of shoppers use search, and they are twice as likely to buy compared with shoppers that don’t search.

eCommerce Blocks Boost Your Productivity

Create new eCommerce landing pages and shopping experiences with our customizable WordPress eCommerce themes and WooCommerce optimized Gutenberg blocks. Or, empower your developers to build 100% custom blocks that are integrated with WooCommerce (without knowing React!).

6X

higher conversion rate for WordPress eCommerce stores with a content marketing strategy vs. those without.

eCommerce Plans That Make WooCommerce Hosting Better

All eCommerce plans include powerful technology, award-winning services, and workflow tools to give your site the home it deserves.

Powerful WooCommerce Hosting

- Platform level protection from threats & attacks
- Shared hosting with plenty of headroom
- Compute-optimized dedicated servers
- WordPress-optimized caching & CDN
- Managed WordPress & PHP updates
- Global data centers available

eCommerce Advanced Features

- Instant Store Search for advanced product search
- Automated plugin updates and visual regression testing
- Build faster with premium Woo blocks, store starter template, and 100% custom eComm blocks!

Easy-to-Use Workflow Tools

- Free automated migrations for existing stores
- One-click staging & development
- Automated backups & restore points
- Effortless Local development
- Free image compression in Local
- Free broken link checking in Local

"The new search functionality has given our online store a major boost, including a 12% increase in sales and a higher cart value per customer."

—Alan Affelt, Owner, Stitchtopia
